Made my train (poor Millie!) so now I have time to say that I hope you are enjoying your vacation. We are making a lot of progress working through multiple reviews. Hoping to proceed with action memo and state and cabot calls tomorrow!

just got off an hour call with Sussman, Mathy, et al followed by another one with Dana and Tito (very helpful) to address last minute OECA comments. also, just received Betsaida's mark up of Qs and As. lots of suggestions!

a few thoughts - we go between approximately 60 homes and 61 (in letter to DEP - I think) when asked how long and we answer in Dec - next Q will be why did it take you so long to make a decision? In re: Chemicals of Concern question we list a number that we are looking at - may want to list them - battery low - may be more later

Subject: Dimock Materials

Bob et al. - Attached are the 11 Dimock documents we are looking to finalize. We look forward to your feedback. Per our discussion earlier, Lisa Feldt will be coordinating HQ comments on the Action Memo, associated documents & letters, and Betsaida Alcantara will be collecting HQ comments on communication materials. Please let me know if you have any questions.

Thank you - Shawn
